EVENTS

Spirits High For Homecoming

The annual bonfire began the Homecoming festivities as Dean Ferrell, M.C. welcomed students and faculty. The Pep Band, Ritenour's Rhythmettes, and the Cheerleaders sparked spirit into the hearts of the Huskies and the fire was lit. The evening ended as all rose and sang the Alma Mater.

Homecoming activities resumed the next day with the annual parade. The Rhythmettes led the parade, followed by the Marching Band and many floats and decorated cars. Awards went to the Senior Class for best float; to the Cheerleaders for the best decorated car; and to the Marching Band for the best walking unit. The parade ended at the Ritenour Stadium as the spirited Huskies prepared for the Homecoming football game to begin.

The game, however, ended in defeat, but did not dampen the spirits of the Huskies, as Kathy Patterson was crowned 1979 Homecoming Queen.

A Night Of Fantasy

Every fantasy has its happy ending and so did Homecoming, with the Homecoming Dance. The theme, "Somewhere Over the Rainbow", brought everyone out of reality and into fantasy, as the band, "City Works", performed for about 200 couples. The presentation of the Queen and her Court highlighted the evening, as couples gathered to watch the court dance to "You Take My Breath Away." Then everyone joined the court and the fantasy continued ... until the lights were turned on and everyone was forced to return to reality.

Class of '80 Does It Again

The Class of '80, once again, was victorious in the Powder Puff Football Game as they defeated the Juniors 19-16. The Seniors' playing principle was, "If it worked last year it will work again this year." So, they used the same jerseys, coaches, plays, and even the same prayer. While the principle may not have been sound, it worked!

The halftime ceremonies included Ritenour's Rhythmen, the Powder Puff court, and the crowning of John Bolton, 1979 Powder Puff King.

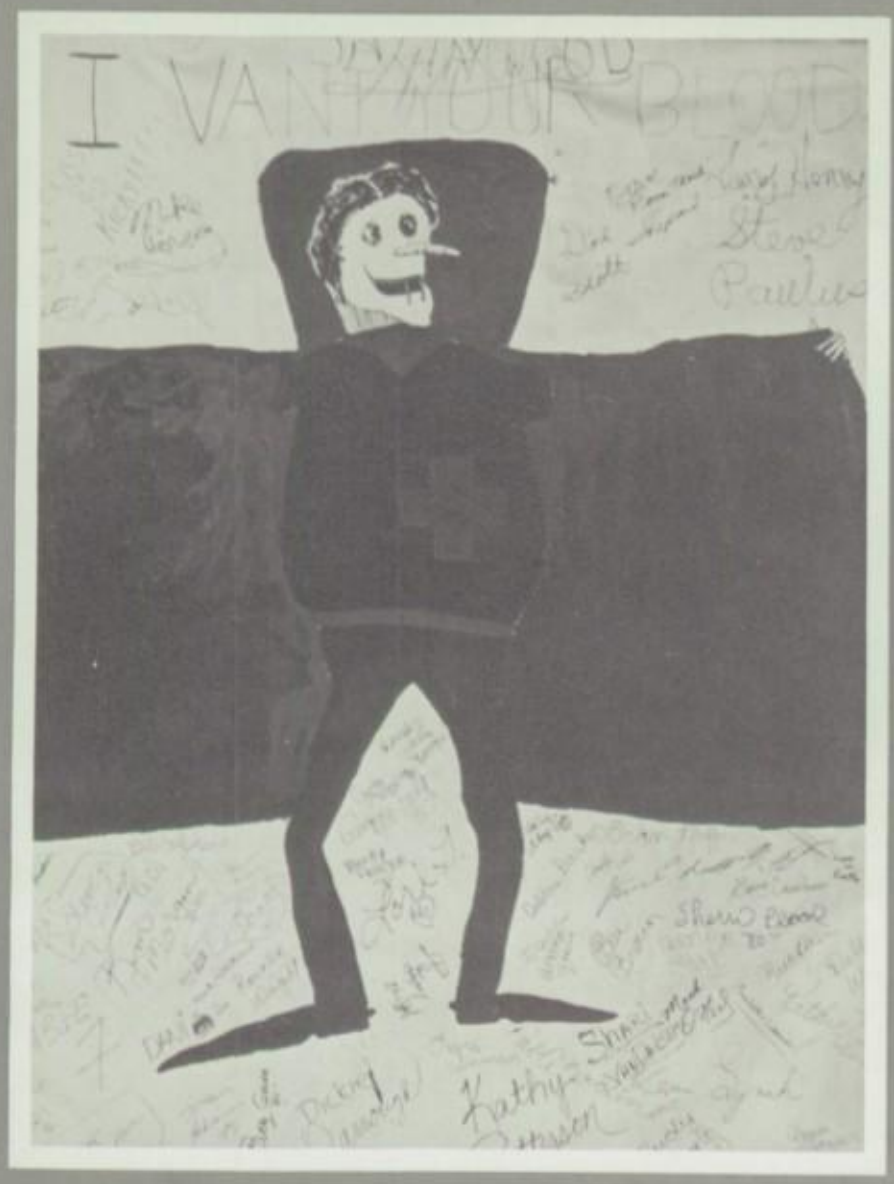
Santa Claus Comes To Town

On December 17, the annual Student Council Underprivileged Children's Dinner was held in the cafeteria. The night was full of fun and happiness with a dinner, magic show, a Christmas play, and of course Santa Claus loaded down with gifts for the kids.

The children, from district grade schools, all went home with memories of a night they will not easily forget.

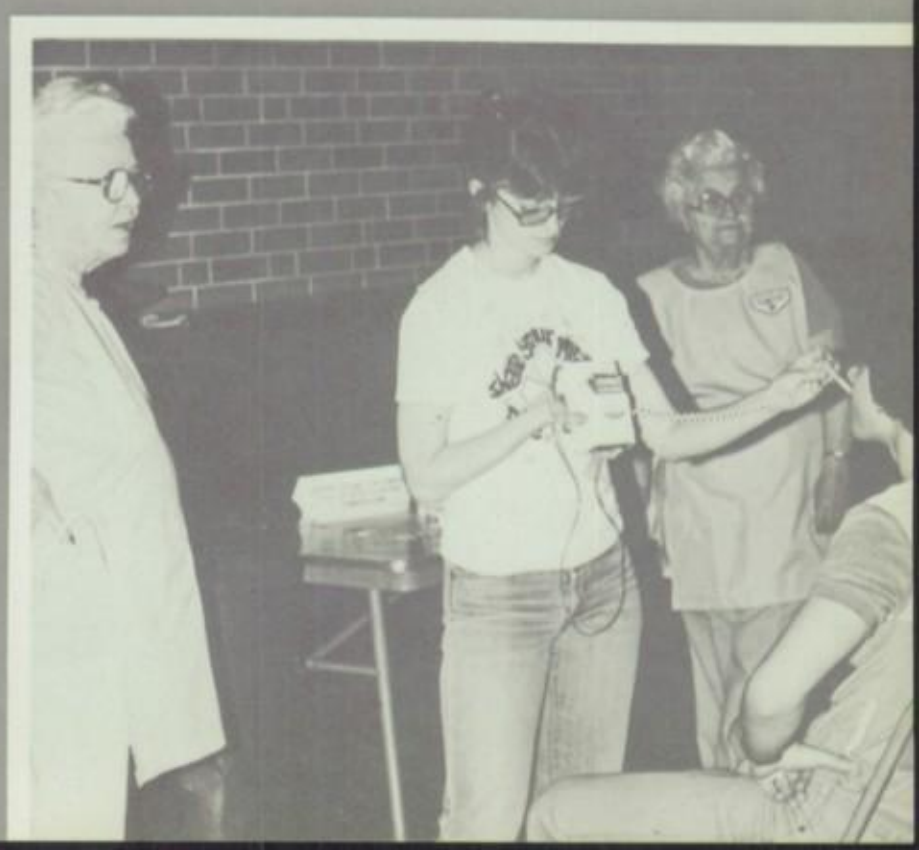
(Top Right) Santa Claus, Mr. Howard Williamson, brings a smile to these kid's face with a nice gift for each one. (Above Left) Members of the Drama Club take a bow after presenting a Christmas play for the children. (Above Right) Darryl Nitsch, Ritenour's resident magician, performs a trick with a little help from one of the kids. (Above) The kids get together at the end of the evening to compare gifts.



The Gift Of Life

Once again, with the help of the American Red Cross and Student Council, Ritenour students were asked to donate blood and once again they responded in admirable fashion. On April 18, 166 pints of blood, the gift of life, were collected at the senior high.

(Left) After students give blood they have an opportunity to sign the vampire poster. (Below) Mr. Hunter appears to be reading his will. (Bottom Left) Mack O'Neal checks over the requirements for donating blood after the nurse has checked his blood pressure. (Bottom Right) Melanie Forrester takes temperatures to make sure no one has a fever.



Foul Night For Faculty

In the long history of the Student Faculty Game very seldom have the teachers suffered as they did on the night of March 29. For only the third time the faculty men lost in basketball while the female staff members added to their misery by losing two straight volleyball games. Fouls on the teachers and the ability of the students to make just enough free throws might have been the major factors in the student's 50-47 win while outstanding play on the part of the girls provided the sweep in volleyball.

And The Winner Is . . .

Over the past couple of years a very keen competition has developed at Ritenour not just on the athletic field or between students for good grades, but also between first hour classes for first place in a variety of contests. Everything from collecting can food to decorating doors has stirred the competitive spirit of a number of teachers and students.

(Right) Miss Magill's class has doubled the reason to be proud after winning both the Can Food Drive and the Melaureus Sales Contest.

That's Entertainment

Thanks to Student Council, Pep Club, Cheerleaders, and the music department Ritenour students were entertained and sometimes educated as a result of assemblies. Students traveled to the football stadium, girls' gym, or Costilow Fieldhouse for everything from election to pep assemblies. No matter when or where they were held or what their purpose, all were enjoyed and appreciated by both students and faculty.

"The Curse Of An Aching Heart"

This year the Drama Club, under the direction of Mrs. Martha Osthoff, performed the melodrama, "The Curse Of an Aching Heart." It was the story of the young, stalwart, manly-bosomed hero, Lucius Goodenough, who is madly in love with the innocent, ever beautiful heroine, Melody Lane. But Melody has been cursed with an aching heart by the villainous Windemere Hightower, who is out to do away with Lucius. But Windemere receives his just reward and Lucius and Melody (who is no longer cursed) are free to marry.

The audience played a large part in the success of the production because they cheered the hero, booed the villain, and ahhed the heroine. One member of the audience even gave Windemere the correct time when his clock had stopped. The production was a huge success, and mostly because of the patience of the real heroine, the everloving and ever loved, Mrs. "O".

(Top Right) Lucius (Howard Bell) is trapped by Muriel (Lisa Koerber) and Battle Axe Annie (Lori Lynch). (Center Right) Redwing (Becky Moore) looks on as Lucius (Howard Bell) makes his entrance. Ritenour Choir "Fiddles" Around

The Ritenour A cappella Choir performed, "Fiddler on the Roof" February 21-24. Under the direction of Allan Byers, a group of forty students from middle America became forty oppressed Jews of Russia, 1905. It is the story of Tevye, the dairyman, who has been "Blessed with five daughters, and a life of poverty." Tevye must learn to accept the breaking of age old traditions as three of his daughters are married to men of their own choice, and to being thrown out of his home as the Russians take over his land.

The choir learned how much hard work is required to put on a musical. In six weeks they constructed sets, sold tickets, learned lines, songs, and dances, as well as built characters. Everyone was exhausted by the time the final curtain fell, but they were happy, because the show was a huge success . . . but that's "Tradition."

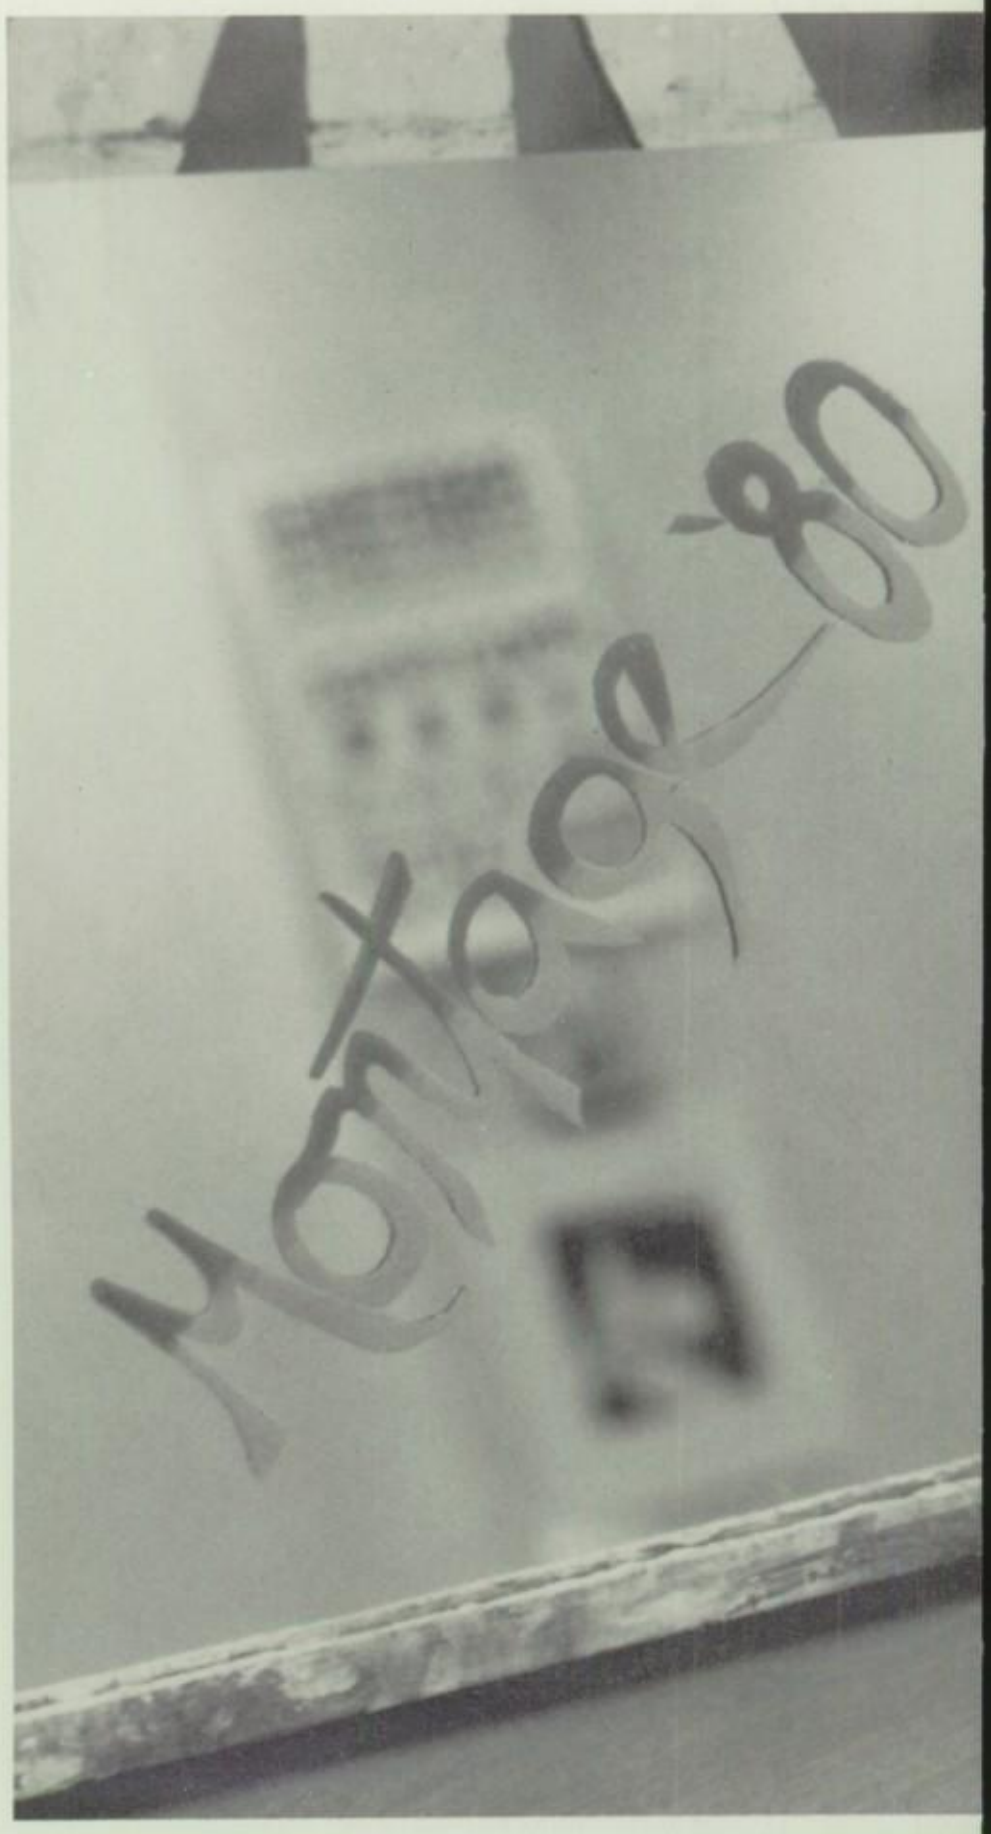
Montage

Montage, a collage of art from ceramics to sculptures, began at Ritenour in the early 1960's. Formerly known as Noel des Arts, Montage has played a major role in the student's art education.

There were seventeen one and two man shows this year with more photography, ceramics, and sculptures than in past years while silk screen printing declined in interest.

The first place winners in each category were: painting, Ann Brown; drawing, Ollie Wade; ceramics, Kerry Woods; sculpture, Rich Childers; graphics, Chris Flynn; and photography, Kathy Vieth.



(Above Right) Mirror art, in its second year in the show, proves to be very popular and attractive. (Above Left) Mrs. Rodenberg and Patty Simpson read a calligraphy submitted by a student. (Right) A wide variety of ceramics highlight the show.

Ritenour's Talented Talented

This year's talent show was probably the most talent filled show in the recent years. It was comprised of everything from singing to dancing; from bands to banjos; and from drama to magic. Mrs. Cathy Nickens and Mr. Robert Hunter M.C.'ed the show and Tara Mastin received the best act award as she sang, "HOME", from The Whiz. The talent show is the annual fund raiser for the Ritenour A.F.S. Club, and will help sponsor the two new Foreign Exchange Students for next year.

Traveling in Style

The annual R.G.A.C. Fashion Show was held on Wednesday April 16, 1980. Its theme was "Traveling in Style with R.G.A.C." Mr. and Mrs. Rosaaen M.C.'ed the show, as members of R.G.A.C. modeled clothes from local clothing stores. The entertainment for the show was provided by; Sandey Tetley, John Bolton and Tara Mastin. The finale of the evening included the entire cast performing to, "Give It All You Got", by Chuck Mangione.

"Please Don't Go"

"Please Don't Go," the theme song of the 1980 Junior-Senior Prom held on May 9, at the Marriott, reflected the feelings of many of the students when the prom came to an end at midnight. A Prime Rib dinner, music by Stash, pictures by McCarty Studio, and casual conversation occupied the time of most of the lavishly dressed couples.

The crowning of Brenda Johnson as 1980 Prom Queen was probably the most memorable moment, but no one will soon forget the night they spent at the Prom.

The End Of A Journey

The Class of 1980 became worried about where the graduation was to take place as the tornado warning was rung at 10:15AM on Wednesday morning. Thunderstorms were forecast and the chance of graduation outside decreased as the chance of rain increased. But the weather held and the Class of 1980 graduated in the Ritenour Stadium.

As a part of the ceremony, Steve Swope, Valedictorian, and Dianne Varble, Salutatorian, were recognized.

Finally, each row had marched up to receive their diplomas and when Jane Cookson (the last graduate) graduated a loud cheer was heard. The Class of 1980 was now leaving Ritenour. Each left with his own dreams and hopes for a thirteen year journey had ended, and the start of a new journey had begun.

Injuries Hinder Huskies

Although this year's team won only two games, it was an exciting season with many good plays and players. However, the team was hampered with injuries toward the end of the season which hindered the Huskies in their attempts for victory.

The high point of the season came when Ritenour defeated Normandy on the Viking's home turf to end a 26 year tie, in which each team had won the wagon wheel 13 times.

The Sophomore team faired well this year considering that the nucleus of the team was formed by combining two freshmen squads who had lost all of their games during the previous season. Coming together they made the right combination to compile a 4-6 overall record in the very tough Suburban North Conference.

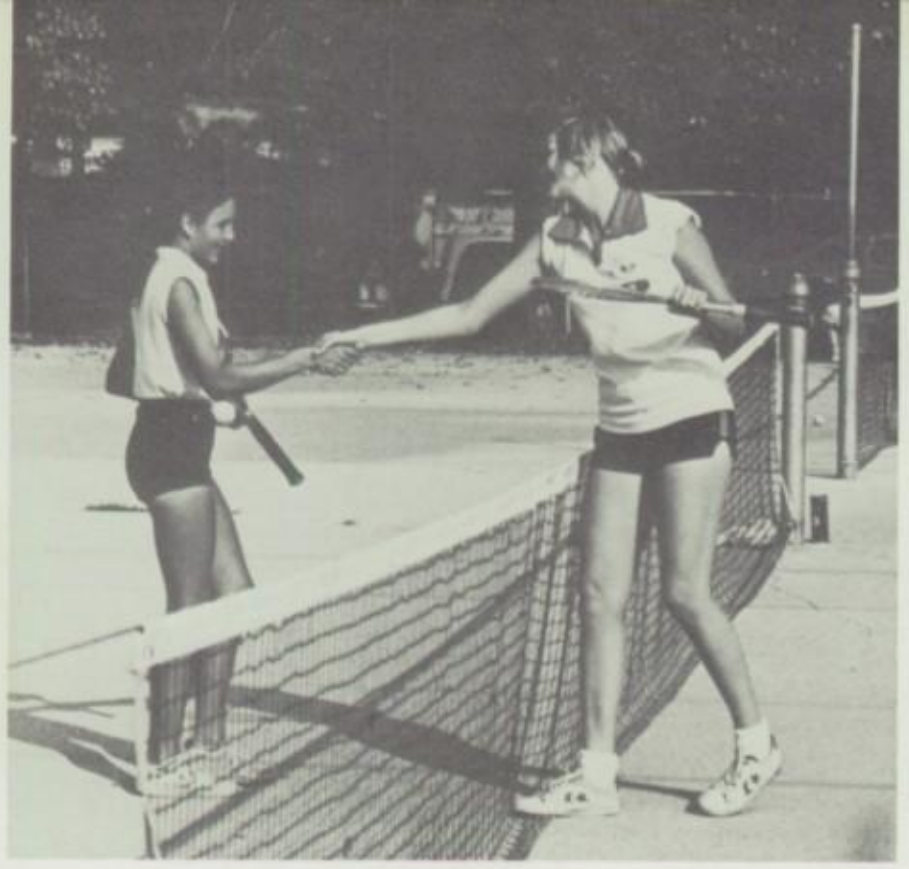
(Left) Kevin Jacobs kicks a field goal during the Wagon Wheel Game at Normandy. (Above) Jon Fulton attempts a pass during the Homecoming Game.

Field Hockey Shows Potential

The girls' field hockey team had a record of 4-6-2. However, this record does not show all the hard work and improvement throughout the season. The girls consistently worked hard in practice and did their best during the games. There is a lot of potential for next year's team to be even better.

(Top) Mrs. Stokes discusses the game plan.



Tennis Fever Finds Ritenour Immune

It seems everyone in the country is running to the tennis courts, but apparently the fever hasn't hit Ritenour. Only seven girls went out for the tennis team, six juniors and one sophomore. This was the main downfall of their season. However, better tennis courts and improved area around the courts would have helped the girls during their season. And their record of 1-11 is not a true picture of the ability and hard work of the girls.

Varsity Soccer Sets Many New Records

The Varsity Soccer team showed once again that not only in education is Ritenour number one, but also in their sports. The team finished their year with a remarkable record of 10-6-6. That shows a great deal of improvement over last year's record of 11-9-2. Not only was their overall team record very good, but they also set many new records. These were Most Consecutive Shut-outs, Least Goals Allowed, Most Overtimes, Least Losses in a Season, and the Best Goals Against in the Suburban North League.

Husband and Wife Coach Teams

The 1979 Ritenour Volleyball team probably had the distinction of having the only husband and wife coaching staff this year. Mrs. Joan Doney guided the Varsity team while first year volleyball coach, Ray Doney, headed the Junior Varsity team.

Pushing six teams to a third game before losing, the varsity ended with a 4-6 record. While the J.V. 8-6 record guaranteed some hope for the future.

Most Valuable Player Jane Cookson, added a note of success to the season by being selected to the Suburban North All-Conference team.

A Special Breed

The Cross Country team had a successful season with a Varsity record of 5-3. Many people don't realize what the Cross Country runners went through. They ran in all types of weather from the heat of mid-August to the cold of October. They pushed their bodies to the limits of their endurance and then pushed some more.

This year two dedicated runners were successful enough to make it to the State Meet. Tom Becker, who placed 12th and Ken Bucholz who placed 48th were Ritenour's only two representatives at Jeff City. Most of the Cross Country team graduated this year, but the winners that are left show potential for next year's team.

Divers Help Swim Team

The Boys' Swim team showed improvement this year. With the help of its divers the swim team had a good season. Four members of the team, three of them divers, qualified in the top twelve at their Conference Meet. These same three divers; Bob Swain, Todd Morton, and Mickey Hollis, represented Ritenour at the State Meet. The awards given out at the team banquet were Most Valuable, Mark Cox; Most Improved, Bob Swain and Dalk Bandilla, 110% Don Lloyd and Adam Pauluhn.

Balanced League Tough on Huskies

Opening up the season with a third place finish in the SLUH tournament was a recognized accomplishment of the Ritenour Huskies. Then came the Normandy Christmas Tournament where quality teams play each year. The Huskies went into the tournament as the second seed. The team, as well as the coaches, knew that this season was going to be an even more balanced battle for the Suburban North Title.

Coach Jerry Zykan used almost every philosophy and trick to develop the team into a successful one. However, despite all of the troublesome problems the Huskies played off a high averaged 13-13 overall record. Although the record shows the wins and losses it does not show how much effort and devotion was put into the Huskie team. The Huskies knew what they needed to get done while under pressure, and also when important games were being played. Also, many personal bests were accomplished during the basketball season.

Wrestlers Surprise Almost Everyone

This year's wrestling team was "supposed" to be a rebuilding team. They weren't expected to achieve anything spectacular. But, when the season ended there were a lot of surprised people. The team's record was 7-4. They brought home a first place trophy in the Parkway Central and Parkway South Quads. They also took fourth in the Ritenour Invitational, third in the Riverview Invitational, fifth in Districts and a tie for ninth at State. Their accomplishments were a surprise for everyone but the team, they knew they could do it all along.

A Victorious Season

The girls' basketball teams were victorious once again. This year the teams were coached by Mr. Ron Tegerdine and Mrs. Betty Stokes. It was also the first year the girls were allowed to play in the Costilow Fieldhouse and they didn't let Ritenour down. With a season record of 17-7 and a conference record of 4-4, they did the Orange and Black proud.

The J.V. team had their share of victories also. They had a .500 season of 8-8.

The teams did very well even though there were many injuries. They won first place in the Ritenour Invitational and third place in a preseason tournament at McCluer North.

All in all it was a season to be proud of.

Young Team, New Coach

When you put an inexperienced team and a first year head coach together you would expect them to find it difficult to win and that's exactly what happened to the girls' swim team. Winning only two meets the entire year the season was by no means a lost cause. With a number of freshman and sophomores on the squad, it's just a matter of time before this year's valuable experience pays off in victories.

11-1 Finish

Four points out of three hundred and seventy doesn't seem like much but to the girls' gymnastics team it meant the end to an undefeated season. A narrow 183-187 loss to Hazelwood East cost the Huskies a perfect record.

Much of the credit for the success of Mrs. Scott group could be given to Kim Kuhlmann, Jeanne Westhoff, and Donna Westhoff although all of the girls contributed in some way to the eleven victories.

(Top Left) Jeanne Westhoff nears the end of an excellent routine on the balance beam. Track Continues Tri-Meet Success

Even though the Huskies were defeated for the first time in a tri-meet since 1976, they still finished with a very successful 6-2 record. Led by state qualifiers Tom Becker, Dave Mayfield, and William Johnson the team didn't do quite as well in some of the major meets in the area but Becker's second place finish in the 1600 meters, third place in the 3200 meters, and Johnson's eighth place in the high jump earned the team a finish in the "Top Twenty" in Missouri.

Sixth in State

Led by Ritenour's first ever first place finish in a girls' state championship track event the Huskies ended their season with a sixth place finish at Jefferson City.

The 440 yard relay team of Tara Mastin, Cerise Willis, Sherry Hollins, and Mickey Giblin provided the girls with their championship points while Tara Mastin added to the total with third place finishes in the 100 and 200 meter dashes.

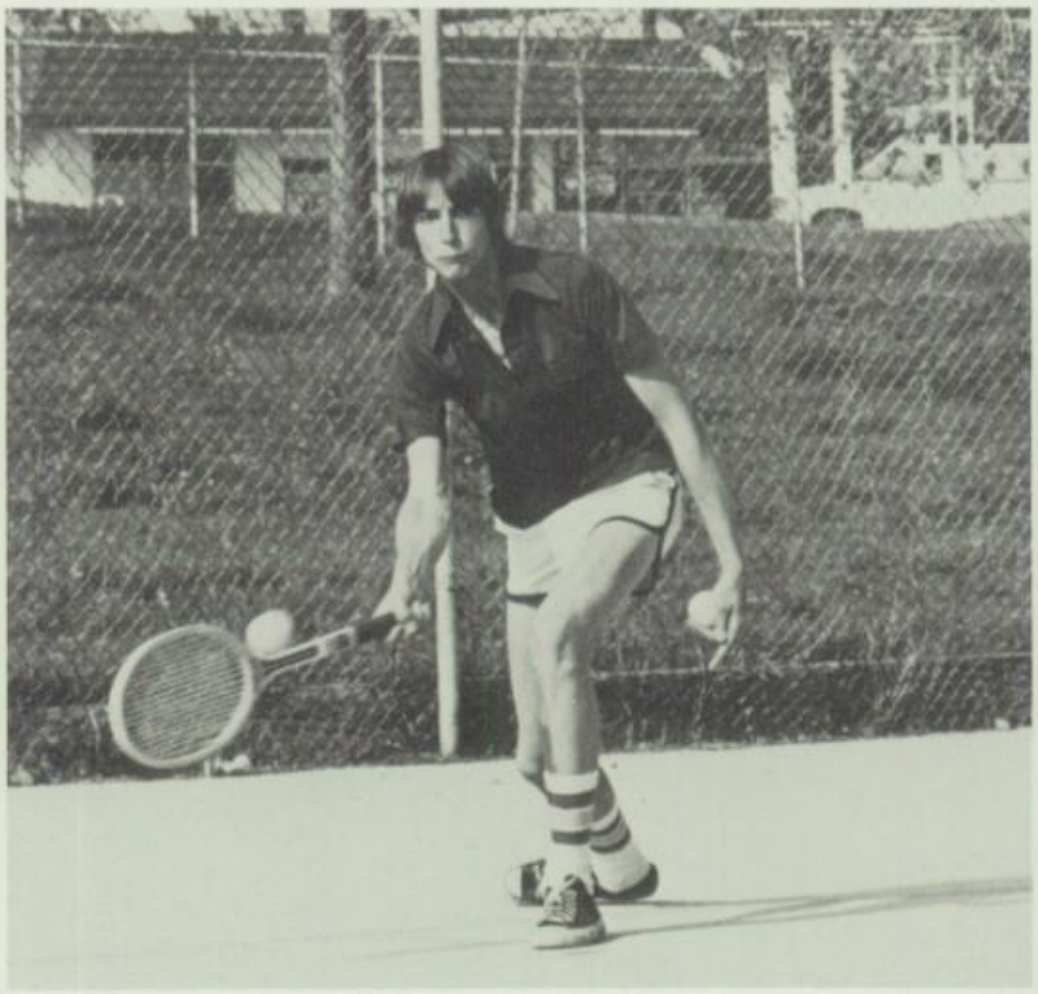
More Players But Fewer Wins

Even though the tennis team attracted more players this year it resulted in fewer victories. In fact, one of Ritenour's largest tennis teams in recent years was able to win only two meets all year.

"Most Valuable Player" Jay Davis and a sixth place finish in the District Tournament did provide a positive note to the season.



(Top Right) Jim Barnes bends at the knees to return a low shot while . . . (Above Left) Mark Schneider must reach above his shoulders for his shot. Suburban North Champions

The golf team climaxed one of its most successful seasons by winning the conference title. After finishing second in the league tournament the Huskies posted a 15-1 dual meet record which was good enough to capture the conference crown.

Steve Krumrery qualified for the state tournament for the second straight year as the team finished fourth in the District Tournament.

More Than Kicking

Being on the soccer team meant more than going out on the field and kicking the ball around. It meant a lot of practice, running, and most important working together to form a team. This year the girls played better because they were stronger, more experienced and more skilled. their overall record was 7-8-5.

We Made It!

The girls softball team for the 1980 season was a symbol of accomplishment for the extremely hard-working players. All seventeen girls on the team displayed the qualities of sportsmanship, fair play, and the encouragement to succeed. The highlight of the season was the fact that this was the first year that Ritenour's softball team has ever reached the state finals.

Home Field Advantage??

Most sports experts agree that the home team always has an advantage playing on their own field, but don't try to convince Coach Tusinski of that. Finishing second in the conference behind Hazelwood Central for the second straight year you have to look no farther than the Huskies mediocre home record to discover why they had to settle for the runner-up position. Winning 14 out of 21 games, 11-5, in the league, Ritenour might have captured the title if they could have played as well at home as they did on the road.

On the positive side, the team repeated as champions of the University City Tournament and the Sophomore team, losing only one league game, won their conference crown.

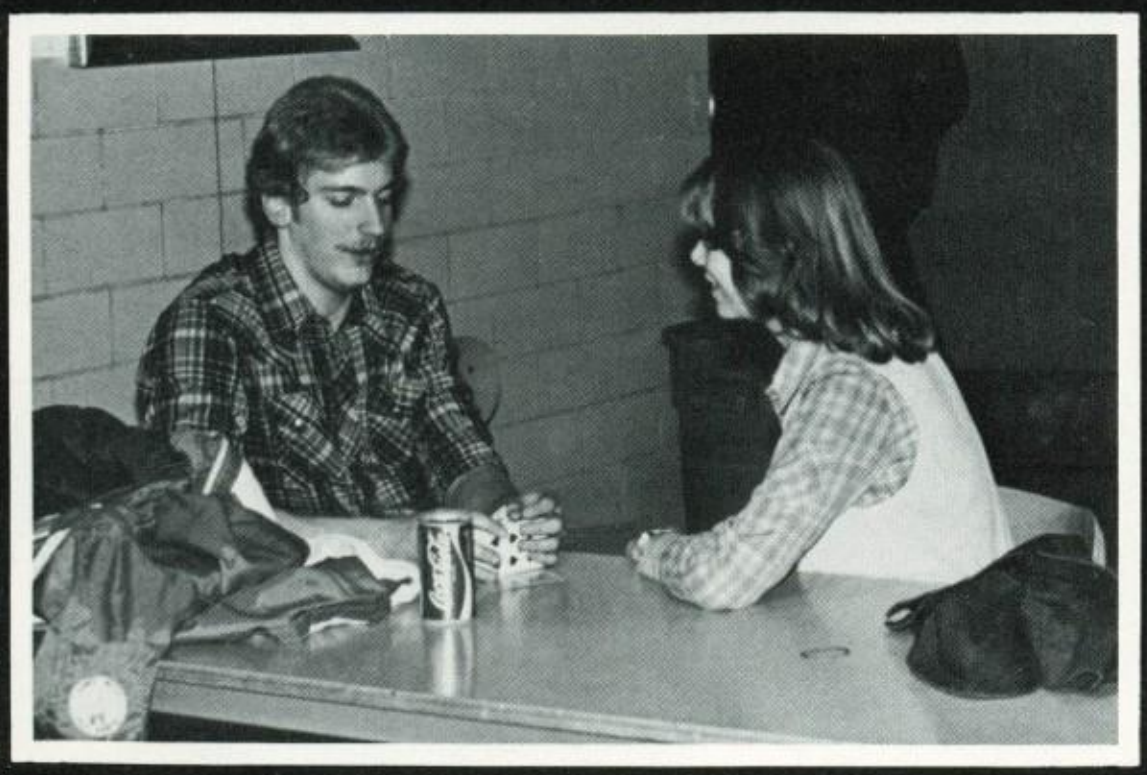
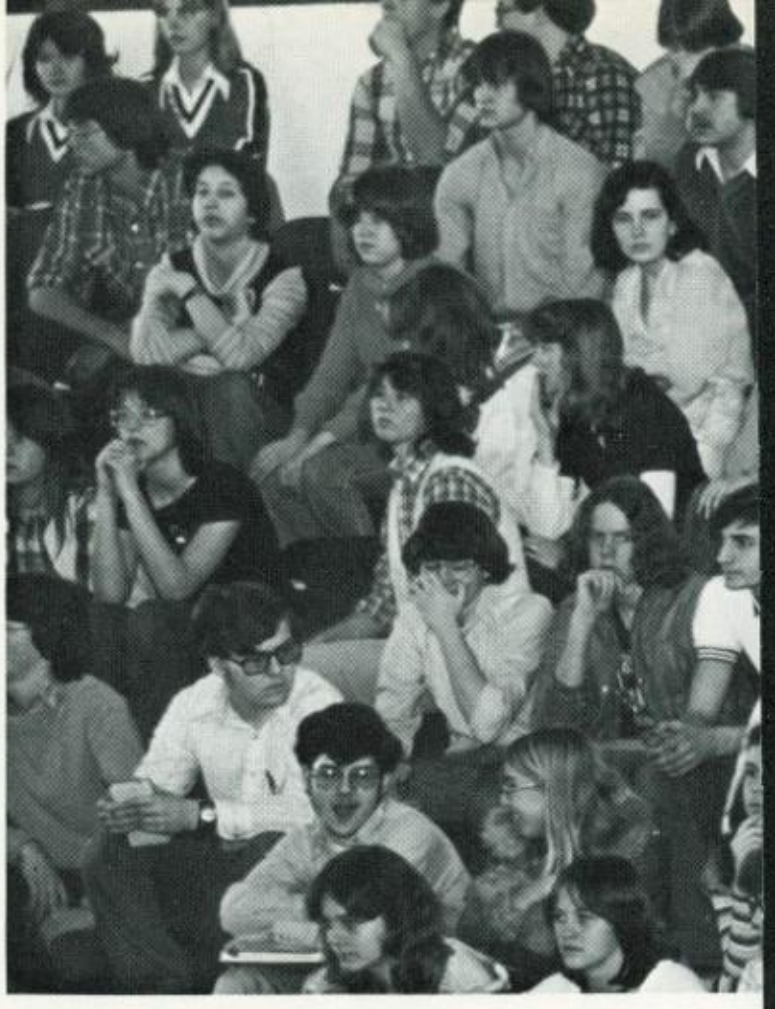
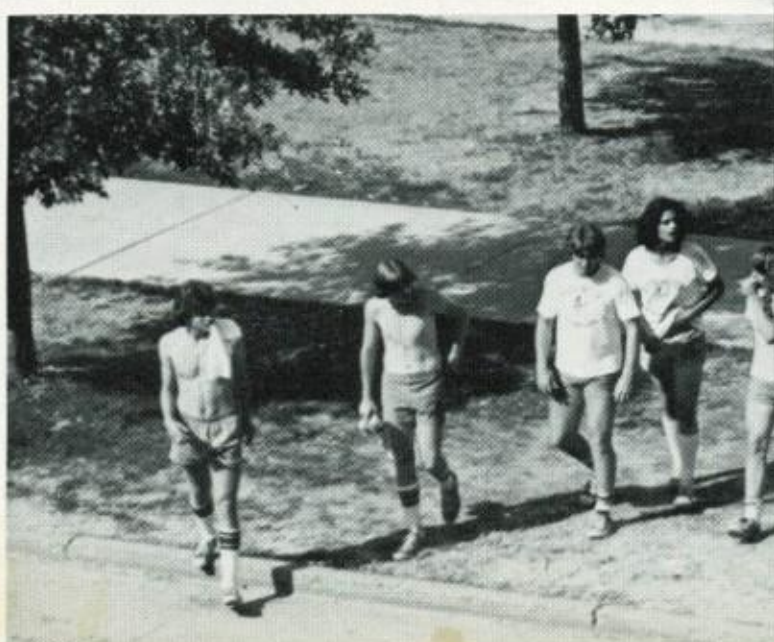
Crystal Ball







(Top Left) Tom Mead entertains Brenda Johnson with card tricks while attending the Welfare Dance. (Top Right) The Mini Mizzou Assembly seems to hold the attention of most of the students. (Above Right) Steve Swope helps paint the W.O.W. mural that he designed for the cafeteria. (Above Left) Rich Darrough mans the press box and operates the scoreboard for a sophomore football game.

(Top Right) Mrs. Lewis, one of Ritenour's nurses, checks Valinda Hutcherson's vision. (Above) Mrs. Henson's first hour foods class prepares to serve a gourmet dinner to a special guest. (Left) Boys' P.E. classes head for the showers after playing football on a warm Fall afternoon.

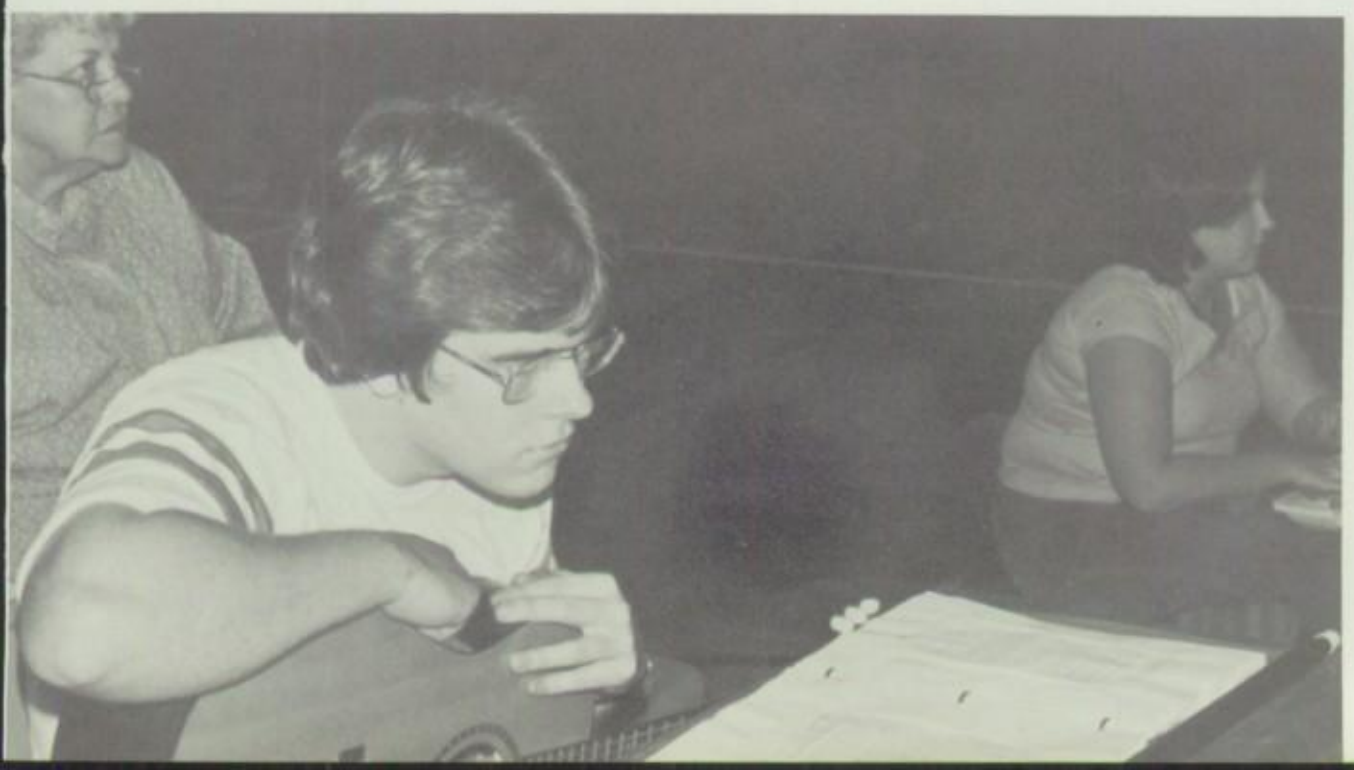
COUNSELS



Females Rule Ritenour—Again

For the second consecutive year, all of the executive offices of Student Council were held by girls. Of course, the males of Ritenour were not completely deprived of a voice in student government, for a number of them contributed greatly through Leadership Class.

Through the combined efforts of these young men and women, Student Council once again did a fine job not only in governing the student body, but also in providing a variety of social events such as the Homecoming Dance and the Welfare Dance. They also served the community and aided the needy through a number of valuable programs: the Underprivilege Children's Dinner, the Senior Citizen's Dinner, a Red Cross Blood Drive and a M.S. campaign.

This year's Student Council also took an active interest in the Ritenour faculty. Secret Pals and a Faculty Activity Night helped to make teachers feel really appreciated.

Rhythmettes Enhance Year

The Rhythmettes helped to provided an exciting year for all with such attractions as performances at home football, wrestling, and basketball games; and with the help of Shelly Evans the majorette. They both added spirit and entertainment by marching in the Kirksville Homecoming, Veiled Profit, St. Patrick's Day, Parades, and our own Homecoming parade.

Even though they did not have a strobe light routine they did have a special routine to the music, "Sweet Georgia Brown", with a special performer Richard Bell. And as always the Annual Mini Pom Pon Clinic was eventful.

Camps, Clinics, Assemblies

Even though the cheerleaders and Pep club are best known for promoting spirit at football games, wrestling meets and basketball games; this year both groups were very active in attending camps, hosting a clinic, and sponsoring assemblies.

Both the Varsity and JV cheerleaders attended a camp over the summer. The Varsity squad's camp was held just outside of Kansas City and the JV squad's camp was at Washington University. The two squads brought back ribbons for their achievements. The cheerleaders also attended a clinic at Pattonville and hosted a clinic which was sponsored by a professional cheerleading organization. Pep club promoted school spirit by sponsoring both the winter and spring sports assemblies.

Of course the cheerleaders and pep club were also involved in the more traditional activities such as sponsoring pep buses, making posters, and selling candy spirit sticks.

Marching Band Earns Recognition

Marching Band members have more to do than just march in parades or on the football field. It takes hours of practice to become skilled enough to compete with other bands. It also takes patience from both the director, Mr. Anthony Debo, and the students. Ritenour's Band obviously has both as displayed with their many honors and awards.

This year the band performed at all home football games; marched in our Homecoming Parade; the Veiled Profit Parade; the St. Patrick's Day Parade & the Transportation Parade. They also won first place in the 4A competition, third place at Central Methodist College, and best overall in the St. Patrick's Day Parade.

Music Makes The World Go 'Round

The music department at Ritenour is one of the best around. Nothing shows this better than the bands. There is the Symphonic, Concert, and Stage bands. The Symphonic Band performed in their Christmas, Winter and Spring Concerts, plus the all District Band Festival, and their regular Band Festival in May. The Concert Band performed in the Christmas, Winter and Spring Concerts. Stage Band performed in these three concerts, plus traveling to grade schools to put on concerts for the elementary students.

On The Move

The Ritenour Symphony Orchestra, under the direction of Gregg Porter, did a lot of travelling this year. They traveled to: each grade school in the district, Jamestown Mall at Christmas, and Miami Beach, Florida during spring break.

While in Miami the orchestra performed at the Miami Center for Fine Arts for the Music Educators National Conference. While there, the orchestra met and performed for Valclav Nelybel, the composer of their final number, "A Mighty Fortress." Mr. Nelybel said that he had not heard anyone perform his number better than Ritenour and asked that Ritenour record all his numbers.

The orchestra also performed at the Fall, Christmas, and Outdoor concerts as well as providing the accompaniment for the musical "Fiddler on The Roof."

A Song For Every Season

The A cappella Choir, under the direction of Mr. Allan Byers, was very busy this year. During the first quarter they prepared for the Fall Concert and the All-State Choir try-outs. When second quarter started, the choir was busily preparing for its Christmas travels and the Christmas Concert. At the Christmas Concert they performed Shuberts Mass in G major, which they sang in Latin. When third quarter started the choir was diligently producing the musical, "A Fiddler On the Roof." It was a lot of work, but the show's success made it all worthwhile. Fourth quarter found the choir preparing for the St. Louis Suburban North Choral Festival, where the judge told them that they were the best he had heard. After the festival the choir travelled to Willard, Missouri, performed at the National Honor Society Investiture, and performed at Graduation.

An Active Group

German Club members didn't have any idle time this year as they began in October to build their Homecoming float. The float, which was based on Hansel and Gretel, won third place in the competition. Other activities for the year included bowling, roller skating, a picnic and of course the famous German dinners at Mr. Boswell's house. This past summer several students also took a trip to Germany with Mr. Boswell.

Students Of The Stage

Teaching students the different aspects of acting, from serious to funny, to melodramatic to radio is not easy; neither is the teaching of make-up, set-building, painting, writing or creating. It took the specialty of one lady, Mrs. Martha Osthoff. She was the most faithful "thespian" in the club. The students learned and did a lot this year, but only because Mrs. Osthoff was always there, calmly smiling and making everyone feel like he was the most important person, while in reality there were 29 others present.

The Sky's The Limit

Sunrises, mountains, and blue skies are just a few of nature's gifts that the backpackers received this year. They had a busy schedule as they went on float trips, camping trips, and hikes. The backpackers began a busy year by going to the Colorado Rockies. Among other places they went were the Audubon Trails, Buffalo River, Arkansas, and Rock Pile Mountain. How could this group of 20 help but have fun with Mr. and Mrs. Boswell as their advisors, not to mention those great outdoors.

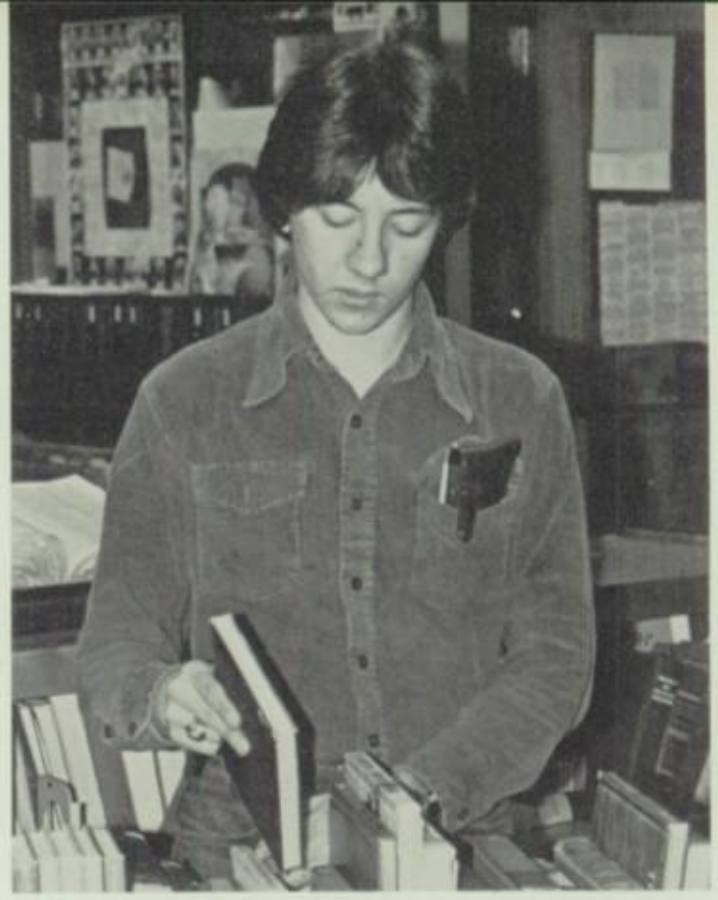
Library And A.V. Workers Enhance Media Center



Two important groups that contribute to the students' enjoyment and learning are the A.V. Club and the Library Workers. Through their dedication and helpfulness students have access to books and magazines, along with being able to view video tapes, films, and televisions all with little trouble. These two groups have attributed to many successful years at Ritenour.

Delaney Delitters

The W.O.W. Committee added a new member to its staff this year, Delaney the Delitter Bug. Delaney is a papier-mache bug which symbolizes the disposal of waste, originated by Mrs. Livingston, a faculty member.

Although the committee is small, it is becoming a well publicized group. Through their many posters, Delaney trash cans, Ted West's announcements and an entry in the Homecoming Parade, they have made themselves known. Also, W.O.W. sponsored a contest for the best design of a mural. The winner, Steve Swope, painted his design on the East wall of the cafeteria.

R.G.A.C.

The Ritenour Girls Athletic Club is not a very publicized group around school, but those who do belong have one thing in common, they all have a varsity letter in at least one sport.

With this common factor bringing them together the girls enjoy doing a lot of things such as Christmas caroling, selling Santa Grams, playing racquetball, and presenting the Fashion Show.

Two For The Price Of One

For the first time in a number of years Ritenour's American Field Service Club hosted two foreign exchange students; Susanne Hansen from Denmark and Paul Henderson from New Zealand.

A.F.S. also held a number of pot-luck dinners, hosted an International Day, sold valentines and candy, and presented the Annual Talent Show.

Sanne

This year Ritenour had the unexpected pleasure of hosting two A.F.S. students. One of these students was Susanne Hansen. Sanne was from Copenhagen, Denmark and lived with the Ted Lewis family. Among Sanne's outstanding qualities was the ability to speak four languages: Danish, French, German, and English. She was an active member in A.F.S., giving excellent presentations to the Rotary Club, A.F.S. Club, and an assortment of schools. In acknowledging her accomplishments, she was inducted into the National Honor Society in April.

Paul

Paul Henderson, Ritenour's other A.F.S. student was from Wellington, New Zealand and lived with the David Bell family. Paul was one of the most active A.F.S. students we've had at Ritenour. Not only was he in A cappella Choir, but he also played a major part in the fall play, "Curse of an Aching Heart," and performed in this years musical, "Fiddler on the Roof." When asked what he had learned being away from home, he replied, "Leaving my home in New Zealand and coming to a foreign country has forced me to question everything that is taken for granted both in the United States and New Zealand. Thus, I have more of an individual approach to many aspects of both cultures. I have also learned to respect other peoples individual rights and opinions."

Pepper Box: Back In Action

The 1979-80 school year began with the prospect of Ritenour students doing without a school newspaper; but thanks to student interest and financial aid from the school board, the Pepper Box was back into circulation by November. Publishing four issues during the year, the staff, headed by Chris Williams as editor and Cathy Walkup as assistant editor, was supervised by Mrs. Morrow and Mrs. Clogston, faculty advisors. Although the staff had a rough start, its sales were very close to those of last year.

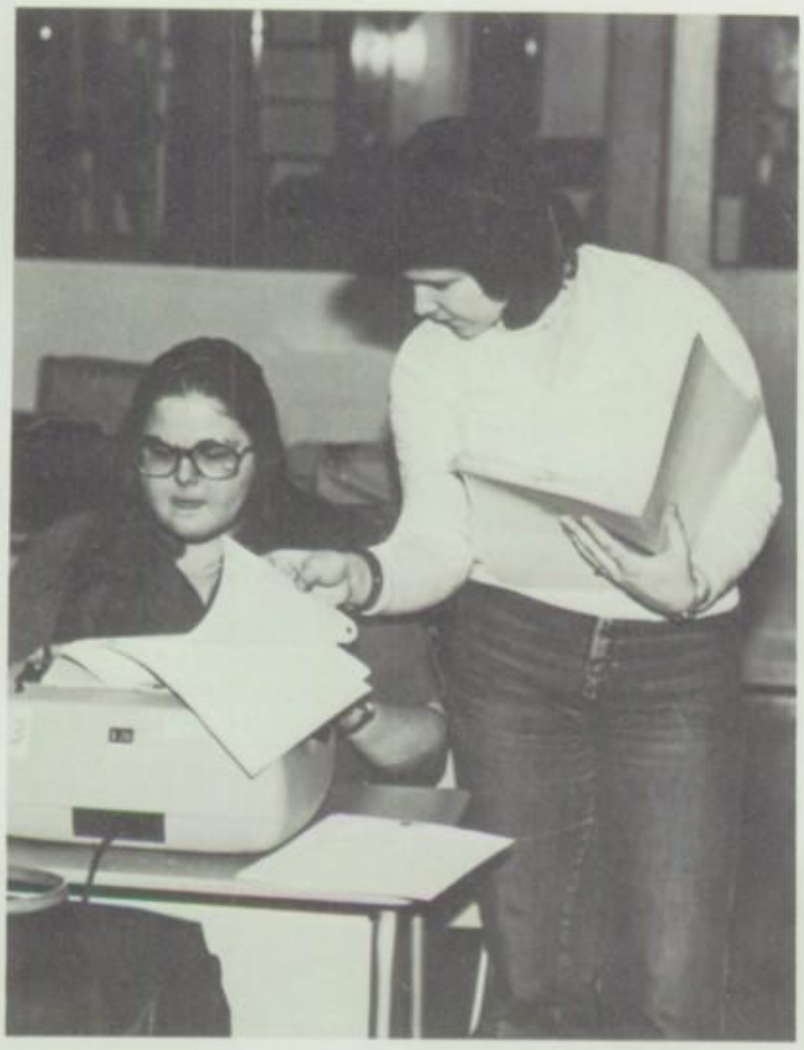
Déjà Vu–
Très Difficile



Putting out a magazine sounds easy but actually it takes a lot of time and patience. The Déjà Vu staff collects and edits student and faculty contributions. The contributions consist of puzzles, cartoons, poems, and short stories. All of these are to be typed, organized, and proofread before being shipped away to become a published magazine. The success of Déjà Vu is credited to the entire staff and to their advisor, Miss Jost.

Bringing It All To You

The new school year brought about a change in command at KRSH-FM 90.1. Taking over for Miss Ackmann was Dr. Johnson, Director, and Mrs. Martin, Programmer and General Manager.

Along with a change in command was also a change in some of the KRSH commandments. KRSH tried to get involved with other schools in the district. They broadcasted plays and concerts from the elementary and Junior High Schools as well as Ritenour's concerts. Four new shows were added to the KRSH schedule; What's in the Oven, a show on cooking and nutrition; Kids Count, for older kids ages 10 to 14; World in Science, a show that takes a look at some of the news and other happenings in the world of science; and World Week in Review, reviewing all of the week's national and international news.

Among the notable people who visited KRSH-FM 90.1 this year were John Auble from KSDK-TV and Georgann McGrath from radio station KADI.

Work, Work, Work

An even dozen students and faculty advisor, Mr. Ken Phillips, formed the 1980 Melaureus Staff. These members dedicated themselves to a year of hard work and a deadline to meet of 220 pages.

"Hard Work?" one might say. "Yes, that's true!" There is more to making a yearbook than just placing pictures on a page. Included in the year's work are sales that need to be organized, pictures that have to be taken, and copy that must be written again and again. In addition to these tasks, there are deadlines to meet every month beginning in December until June. Putting a yearbook together is hard work, but the Melaureus staff accepts the work as a challenge.

A Special Night

On April 29, 1980 sixty-nine seniors were recognized for their outstanding leadership, character, scholarship, and service. The evening began with the members entering the boys gymnasium with the sound of the orchestra playing the opening processional. After Mr. J.L. Moody gave the opening address, the main speaker, Mr. Art Fleming gave his speech that will be remembered by all the seniors for making them laugh and express happy feelings instead of sad ones. The evening was highlighted by the traditional torch ceremony. This was indeed a special night for sixty-nine seniors.

The night was a climax to the busy year they had. Among the socials they held were: a hayride, square dance, evening of bowling, and a picnic. They also had a bake sale and a car wash.

In Memoriam:
Robert Levart

And They Lived Happily Ever After

The traditional ending to fairytales is, "They lived happily ever after"; and that is the end to this fairytale. The seniors ride into the sunset out of the fairytale forever; but next year a new breed of characters will arrive to replace those who leave, but not to take the place of them. The sophomores and juniors will now prepare to move up; and the fairytale from this year will become a memory. But life still goes on in the Land of Ritenour . . . and everyone lives happily ever after . . .

Security

"Home" is a word that means security to most of us. And when it comes to financial security, thousands in the St. Louis area rely on Home Federal Savings. For more than a quarter of a century, Home Federal has helped families like yours save for the things they want, while it has re-invested billions of dollars in local residential construction. Helping the area grow . . . helping your savings grow . . .

When you think of security, think of "Home."

THE END

We would like to express our thanks to the following people who gave us their assistance throughout the year.

Our Thanks to Vincent Price Studio for doing a great job.

We would also like to thank the Herff Jones Yearbook Company, especially Gayle Cordes, our representative.

And special thanks to Mr. Ken Phillips, faculty advisor for Melaureus.

Dear Kathy

I know we've only known each other for a short time but I feel like I've known you much longer and I hope to get to know you even better. I love being with you and you but you know how that goes, We all have "Things to do and places to go." I do enjoy spending all of my time with you and would be great to spend all of my time with you and would be great to spend all of my time with you and would be great to spend
